TIPS

ALWAYS PACK A TOWEL

It's essential for success because you never know when you'll need it, whether at the beach, on a picnic, or simply to dry off. You can also start your vacation before checking into your room, and a tiny towel will not add much weight to your pack.

TIPS

BUY A SMALL BACKPACK/SUITCASE

Buying a tiny backpack forces you to pack light and avoid carrying too much stuff. Because humans have a natural desire to fill space, if you pack light but have a lot of excess capacity in your suitcase, you'll end up going and then regretting it.
